JOB TITLE: VETERINARIAN

JOB FAMILY: HEALTH

BAND: I

FLSA: EXEMPT

JOB CODE: 11033

ESSENTIAL DUTIES & RESPONSIBILITIES:

CLINICAL VETERINARIAN

Treat client animals in the assigned clinical service, serving as an instructor to those veterinary students rotating through that service.

Supervise interns and/or residents assigned to the service.

Collaborate with other hospital faculty in clinical research programs.

Engage in the practice of veterinary medicine in a teaching laboratory for DVM students in one of the clinical services.

LABORATORY ANIMAL VETERINARIAN

Monitor and maintain the health of research animals in the College of Veterinary Medicine.

Consult with investigators regarding animal health.

Ensure compliance with federal and state laws regarding the care of research animals.

Serve as attending veterinarian for research animals.
JOB PROFILE:

MINIMUM EDUCATION: M.D. or D.V.M. or equivalent.

MINIMUM EXPERIENCE: 3 but less than 5 years of experience or equivalent.

IMPACT: Accountable for activities which have a substantial impact on operations, resources or the University’s reputation.

CONTACTS INSIDE THE UNIVERSITY: Contacts involve receiving instructions or providing information to immediate associates and supervisor.

CONTACTS OUTSIDE THE UNIVERSITY: Contacts involve providing and/or receiving guidance, advice or information that must be analyzed and developed by the position.

CONTACTS WITH STUDENTS: None to limited contact with students.

SUPERVISION GIVEN: Responsible for providing day-to-day supervisory direction to employees within the department.

COMPLEXITY: Continually required to develop new, imaginative or innovative solutions, services, products, processes or programs. Duties generally are numerous and extremely diverse and include a wide variety of unrelated processes and work methods. Work requires conceptual and imaginative thinking in a highly complex and uncharted environment.

LEVEL OF DECISION MAKING: Responsible for assisting in and influencing decisions concerning policy-setting, research, planning or students.

FREEDOM OF ACTION: Little direct supervision of activities, with considerable latitude for exercising judgment and self-direction.

WORKING CONDITIONS: Extreme working conditions at times, including exposure to hazards such as contact with sick or violent people, sick or dangerous animals, highly toxic plants, highly toxic chemicals or substances or equipment requiring extreme safety precautions. Safety gear is necessary for work activities.

A position that is classified into this title and band must meet the Cornell requirements for exemption under the FLSA.
